

NEW ADDRESS FOR CSS ABU DHABI

CSS OPENS ITS NEW OFFICE IN THE HEART OF ABU DHABI

Abu Dhabi

Having been in operation for over 11 years, CSS Abu Dhabi has recently acquired new premises within Abu Dhabi to cater to its customers, clients and partners.

The new offices are located centrally in the heart of Abu Dhabi, making it easily accessible for customers and clients alike. The new premise is conveniently located close to the airport and seaport.

Well equipped with advanced capabilities in maintaining an efficient transport system and connections with global markets, gives the CSS Abu Dhabi a strong base to provide its customers with hassle-free and effective logistic solutions. In addition CSS Abu Dhabi offers its clients a vast array of services which include : NVOCC Management, Ocean Freight Management, Air Freight Management / Air Charter Services, Projects Management, Multimodal Operations (Sea/ Air, Sea/Land Management) CFS Management, and Relocation Management to name a few.

“The new premise in Abu Dhabi provides better access for customers and clients alike, as our customer base continues to grow it became necessary to be located in the heart of Abu Dhabi, and strategically located close to the airport and seaport. I would like to take this opportunity to thank all our partners, agents and customers that have been a large contributing factor to the success of CSS Abu Dhabi, and we look forward to your continuous support,” said Arjun Bose, Director, CSS Abu Dhabi

As the capital of the UAE, Abu Dhabi has seen extensive growth in all sectors over the past few years, with infrastructure on the rise Abu Dhabi has been in the investor limelight for the past few years. CSS Abu Dhabi has been able to capitalize on the success of Abu Dhabi because of its presence in the nation’s capital for over 11 years. While being an attractive hub for investors, it is its strategic location at the heart of the Middle East, with South Asia and Africa close by and well developed links to the Far East and Europe that makes it a growing logistics hub, across a variety of industries.

"THE NEW PREMISE IN ABU DHABI PROVIDES BETTER ACCESS FOR CUSTOMERS AND CLIENTS ALIKE, AS OUR CUSTOMER BASE CONTINUES TO GROW IT BECAME NECESSARY TO BE LOCATED IN THE HEART OF ABU DHABI, AND STRATEGICALLY LOCATED CLOSE TO THE AIRPORT AND SEAPORT. I WOULD LIKE TO TAKE THIS OPPORTUNITY TO THANK ALL OUR PARTNERS, AGENTS AND CUSTOMERS THAT HAVE BEEN A LARGE CONTRIBUTING FACTOR TO THE SUCCESS OF CSS ABU DHABI, AND WE LOOK FORWARD TO YOUR CONTINUOUS SUPPORT,"

Over the past 40 years, Abu Dhabi has developed its port infrastructure, its road network, and more recently its airports to ensure it is well-connected to trading partners in the region and beyond. With the development of an extensive road and rail network now started, Abu Dhabi has indeed become the trading hub of the Middle East having sailed strong through the difficult waters of the economic recession that almost left its neighboring emirate, Dubai, crippled. Abu Dhabi is currently ranked one of the world's most significant hydrocarbon suppliers and ranked among the top five exporters of crude oil, a fact which has largely contributed to the success of this division.

With the backing of CSS Group's global network base in the Middle East and Sub continent, CSS Abu Dhabi is able to provide its customers and client's services across a number of industries with the CSS Group's promise of effective and efficient solutions backed by years of expertise. Moreover, CSS Abu Dhabi's strength lies in well qualified and experienced professionals, dedicated to customer service and satisfaction. With the level of expertise available CSS Abu Dhabi is quite confident of extending value added services in the field of Logistics. CSS intends to cater to a vast and varied clientele in Abu Dhabi with its highly competitive man power and state-of-the-art facilities. Combining expertise, experience and CSS' Groups reputation, CSS Abu Dhabi will indisputably cater quality service to its clients in a way that will lead to increasing its competitiveness over other logistic providers.
